

Who are the i-go partners?

i-go is run by **Information for Families at East Sussex County Council** and **Rockinghorse Children's Charity** and has received funding from the Big Lottery Fund.

Information for Families provides free information and advice to families of children and young people aged 0-25 in the county.

The service is independent and confidential and includes information on:

- services for children;
- childcare and activities; and
- special educational needs.

Rockinghorse Children's Charity has been supporting children across Sussex for more than 45 years. It supports projects that focus on improving the quality of life for children with life threatening conditions, physical or learning disabilities or complex needs. It is the official fundraising arm of the Royal Alexandra Children's Hospital (The Alex) and supports the Trevor Mann Baby Unit.
